

TEACHER TRAINING WORKSHOP
INTEREST FORM

Can we help you in the classroom? Kids Voting and Time Warner Cable would like to offer a teacher workshop to provide valuable resources for your classroom! The workshop will give teachers information as to how to best use Kids Voting throughout the school year, how the curriculum meets state testing standards as well as provide the most current educational programming information that can be used to enhance lesson plans.

Please share this information with your staff and colleagues, board members and parents. **Again the training workshop is free and we will offer certificates for CEU accreditation.** We will work with you to schedule a time and location convenient for you!

Attendees will receive:

- A complimentary copy of the Kids Voting curriculum.
- A copy of the curriculum alignment to Academic Content Standards.
- Information about Youth at Booth Program, 2008 Election Day Activities, KV Council, Dayton Daily News Editorial Cartoon Contest
- Educational programming information from Time Warner Cable and partner networks
- Door prizes!
